# WE'RE GETTING MARRIED IN AUGUST!

**And we'd love to have you with us.**  
Over three days in *Paraty*, a small town  
on the coast between Rio and São Paulo,  
we'll gather with the people closest to us  
to celebrate.

Please confirm your attendance by

**WHEN:** 27-29 August, 2026

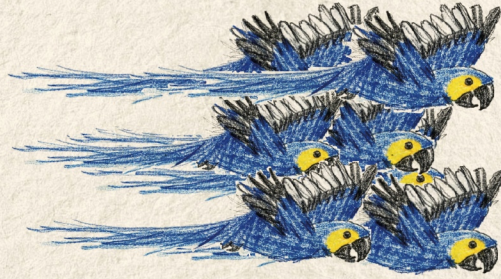

**WHERE:** Paraty, Rio de Janeiro state,  
Brazil

*Paraty* is a small colonial town on Brazil's southeastern coast, founded in 1667 and listed as a UNESCO World Heritage Site. The historic centre is paved with stone and closed to cars, surrounded by Atlantic Forest and a bay full of islands and beaches.

August is mild, sunny in the day and cool in the evening — the town is quieter than in high season. It's a place we love, and we hope you'll come to love it too.

**CLIMATE:** Mild winter. Day 24-26 °C,  
night 16-18 °C
